This warranty is conditioned on the vehicle being subjected only to normal, non-commercial use, and receiving reasonable and necessary maintenance during the warranty period. Warranty repair costs shall in no case exceed the costs of the original repair or service. If there is a defect in either materials or workmanship within the warranty period, the Facility has the option to perform remedial service work at no charge to you, replace the defective warranty part(s) without charge to you, or refund the entire charge for the warranted repairs, minus any previous refunds.

STATE OF CALIFORNIA ONLY: A buyer of covered products or services has the right to have warranty service performed during the warranty period. The warranty period will be extended for the number of whole days that the vehicle has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect has been fixed. The warranty period will also be extended if the warranty repairs have not been performed due to delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect, and the buyer notifies the Administrator of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return his vehicle for a replacement of parts, if applicable, or a refund, which in either case is subject to deduction of a reasonable charge for usage. This time extension does not affect the protections or remedies the buyer has under any law.

### WHAT YOU MUST DO TO OBTAIN WARRANTY SERVICE

You must keep a copy of the original repair invoice and present it when seeking service under this warranty. If you are less than 25 miles away from the original repair Facility, you must return your vehicle to that Facility and temporarily surrender your original repair invoice, or a legible copy of the same, to the Facility. from the original Facility, you may be eligible for towing and/or rental car benefits as determined by the Administrator. If the non-participating facility will not accept payment from the Administrator, you must pay for the warranty service and submit your original repair order and subsequent warranty repair invoice to the Administrator for review. In all cases, these original document(s) will be returned to you as soon as practicable.

### WHAT IS NOT COVERED BY THIS WARRANTY

You must pay for any non-warranty service you order to be performed at the same time as the warranty service. This warranty will not apply to your repaired vehicle if it has been damaged by abnormal use, misuse, neglect, accident, and alteration or "tampering with" (by other than the Facility or Facility employees). The Facility's employees and/or agents do not have authority to modify the terms of this warranty nor to make any promises in addition to those contained in this warranty. THIS WARRANTY DOES NOT IN ANY WAY INCLUDE INCIDENTAL OR CONSEQUENTIAL DAMAGES (additional expenses that you may incur as the result of faulty repair or service).
